APRIL DISBURSEMENTS

Capital Traction Company, Riggs National and American Security Make Heaviest Payments.

Plans Open to Government in Raising Funds to Meet Deficit. Local Securities.

BY L. A. FLEMING.

Dividend and interest disbursements on the 1st of April and in the early days of the month, in the city of Washington, will aggregate close to \$800,000, vith the dividend payments furnishing as but few bond interest payments are made other than semi-annually, generally in January and July.

"Although a sale of more long time Panama 28 would seem to reasonably afford the most economical method of squarely facing the inevitable Treasury stuation, there is an evident disposition at the Treasury Department to avoid such a natural, regular, long time bond loan at this time, which might later be resurrected and stand as a political boomerang. Under the circumstances, the wisdom and serviceability of a short time bond issue, for fifty or a hundred million dollars, will undoubtedly prove expedient and practical and is certain of being a practical and is certain of being and is certain of the certain of fifty or a hundred million dollars, will undoubtedly prove expedient and practical and is certain of being a pronounced success. There being abundant gold reserve, the only alternative must be the issuance of the one-year certificates, which issue is the only one of the three which may bear the circulation privilege. Higher Liverpool Quotations and Visible Supply Bumors Count Against Chicago Bears.

CHICAGO, March 15,-Higher prices at Liverpool, where there was a large decrease in stocks, had a bullish effect today on the wheat market here The outlook for a decided falling off in the domestic visible supply total counted also against the bears. Offers some cases had moved up 2% above Saturday's finish. The opening, which ranged from ¼ to 1% higher, was followed by a continuous advance until orders to purchase were filled, but then a material reaction took place.

Small Receipts Help Corn.

Smallness of receipts helped to lift he corn market. In addition, one of the largest houses in the trade was a aspicuous buyer of futures. After starting a shade off to % up, prices scored gains all round.

there was also some demand from spot houses and covering of shorts on the advance. Offerings were comparatively light, but became rather more active around 9:45 for October as a result of realizing, with prices reacting 2 or 3 points before the end of the first hour. Futures opened steady. March, 8.59; May, 8.88; July, 9.14; October, 9.41; December, 9.59.

A sharp advance in the Liverpool market, accompanied by increased buying orders from English sources, was followed by renewed firmness bere, and prices shot some 18 or 20 points above Saturday's closing figures, with October and later months making new high records for the season. Private cables attributed the advance abroad to trade and continental buying in the absence of prompt sellers.
